President 2015-2016**

Building a Vision: Next Century

- **Brave, bold women as founders**
- **Association created by national emergency**

Iowa Hunger Summit 2015

Our Focus on Food Security

"Food security is the linchpin of healthful living and must be achieved in the United States to improve the health of its citizens and residents."

**Position of the Academy of Nutrition and Dietetics:
"Food Insecurity in the United States"**

Iowa Hunger Summit 2015

Our Members Lead the Way

- **In Arizona:** Examining how eating behaviors and other psychosocial issues related to food insecurity among parents affect youth over time
- **In North Dakota:** Formation of the first Creating a Hunger Free North Dakota Coalition
- **In Georgia:** Feeding students in an area with high child poverty rates
- **In Ohio:** Helping food banks work with clients who have diabetes

HEALTHIER FOOD WHERE PEOPLE NEED IT

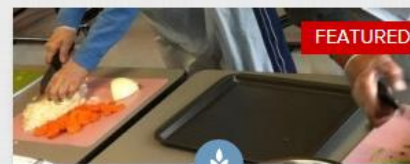

WHY HUNGER MATTERS FOR HEALTH

About the Hub

The Healthy Food Bank Hub is a project and platform developed in partnership with Feeding America and network food banks, Academy of Nutrition and Dietetics and National Dairy Council®. The Hub provides a platform of evaluated tools and resources, showcases existing best practices and nutrition initiatives, and engages health and nutrition professionals to help fight hunger while promoting health.
